A LITTLE SCHOOL WITH A BIG HEART

At the Albuquerque Sign Language Academy we build bridges through dual language learning, so our students, families, school, and the surrounding community can unite and flourish together.

"I feel like it's where I fit in. I don't have to worry about not being able to understand because the teachers talk and sign to us. If I were at another school, I'd be asking 'What?' a lot of the time."

Cole Quitero, 5th grade student at the Albuquerque Sign Language Academy
